

Northern Australia Primary Health Limited (NAPHL) is a recognised leader in outreach health and wellbeing services and National Disability Insurance Scheme (NDIS) approved supports.

NDIS PHILOSOPHY

We are committed to the fostering of self-mastery and self-determination, improved health and wellbeing with a multidisciplinary approach supported by experienced clinicians with an extensive range of capabilities.

WHAT DO WE PROVIDE?

At NAPHL our goal is to provide family centered and individualised support services and a simplified NDIS experience supporting individuals and their families to navigate through the NDIS. We are registered to provide NDIS services across all age groups.

Our expertise lies in our ability to enhance life goals for NDIS participants with formalised plans in place to provide therapeutic support services to those in need.

NAPHL has experience in designing programs and services to meet the needs of individuals and families living in rural and remote locations.
