

Podiatrist

Northern Australia Primary Health Limited

New Graduates encouraged to apply - Part-Time and Full-Time positions available.

Northern Australia Primary Health Limited's (NAPHL) mission is to improve health and wellbeing outcomes by meeting demand through partnerships and innovation.

Due to some exciting caseloads The NAPHL Allied Health Team are seeking an enthusiastic, dynamic and skilled Podiatrist to join our friendly team of Allied Health professionals.

The Podiatrist will work as a member of the multidisciplinary team to promote person centred and goal focused approaches to the provision of integrated primary and corporate health services.

This role is diverse and ever changing so you need to be flexible, self-motivated and autonomous. NAPHL work across a variable case load including outreach allied health, private health clients, My Aged Care, NDIS, DVA and programs to support health outcomes for Aboriginal and Torres Strait Islander people.

We want you as part of our team if you have:

- Minimum Tertiary Degree (or equivalent) qualification in Podiatry from a recognised tertiary institution
- Current registration or eligibility for registration with the AHPRA.
- Competent level of knowledge, expertise and skills in contemporary clinical practice in outreach Podiatry and public health.
- Ability to work in a interdisciplinary team within a flexible, creative, reflective and collaborative work environment.

You will be apart of a friendly multi-disciplinary team who enjoy a professional but relaxed work environment which allows us to meet our participants needs in a holistic manner. You will be required to travel to regional and remote locations as part of this role.

What's on Offer

- Dynamic workload with flexible hours
- Generous salary packaging benefits up to \$16,000
- Relocation assistance for the right candidate
- Professional Development opportunities
- Join an organisation with an excellent supportive work culture and be part of our innovative team.
- Mentoring available
- Achieve health outcomes as part of a multi-disciplinary team.
- A great mix of caseload in local and rural locations.

Applications should consist of your CV, together with a covering letter of no more than 1 page in length detailing your experience.

Applications should be sent to recruitment@naphl.com.au
